IN THE STATE OF NEW JERSEY)	

The New Jersey State Board of Dentistry has reviewed the October 28, 2013, submission by Louis Baxter, M.D., Executive Medical Director of the Professional Assistance Program of New Jersey (PAP), on behalf of Melinda Wagner, D.M.D. ("Dr. Wagner" or "respondent") seeking to remove the remaining restrictions imposed by the Consent Order entered into on March 16, 2011. In his letter, Dr. Baxter notes that Dr. Wagner is approaching 14 years in on-going documented recovery and that she voluntarily remains in the Advocacy II Program of the PAP.

Based upon the available information and Dr. Wagner's compliance with the

terms of the March 2011 order, the Board has determined that removal of restrictions on respondent's practice contained in that order is warranted and is consistent with the public health, safety and welfare.

IT IS, THEREFORE, ON THIS 17th DAY OF December, 2013,

ORDERED that the restrictions and requirements set forth in the Board's order of March 16, 2011, are removed.
